## Android Beginner Workshop (4 hrs)

Have you recently upgraded from a flip phone to an Android smartphone? Or have you had your Android Smartphone for a while and only use it for phone calls? If you have an Android smartphone or tablet and you are ready to learn the ins & outs of it, as well as how to take advantage of its many organizational tools, and the countless number of apps you can add to it for even more fun, register today for this workshop!

Code	Class Date	Time	Registration Dates	Cost
#10624	December 7 & 14	12:30-2:30pm	11/1-12/5	\$36
#10625	January 4 & 11	12:30-2:30pm	11/1-1/2	\$36
#10626	February 1 & 8	12:30-2:30pm	11/1-1/30	\$36

## Facebook Workshop (2 hrs)

Do you want to stay connected to your children and grandchildren? Do you want to see what they are doing every day? Facebook is a wonderful way to keep abreast of the daily lives of those you love. See the pictures they post, share your pictures with them...send them messages to let them know you are thinking about them. In this 2 hour workshop you will learn how to do all of this, as well as make sure your Facebook account is set up privately and securely.

Code	Class Date	Time	Registration Dates	Cost
#10627	December 8th	9-11am	11/1-12/6	\$22
