Thunder and Lightning

If thunder is heard or lightning is seen, the lifeguards/splash park attendants will clear the splash park area of all patrons. Patrons will be allowed back on the deck and in the water 30 minutes after the last sound of thunder and/or the last sight of lightning. If it is raining and there is no sign of thunder and lightning, the splash park is to remain open. However, if the rain gets hard enough, the splash park will be cleared. Patrons will be allowed back in the water once conditions improve.
